Professional Summary

Senior Video Editor and Motion Designer with 8+ years of experience producing video ads, motion graphics, VFX and social media content that serve clear business goals. Delivered 211+ projects for clients in 30+ countries at a 4.9/5 rating — including Saudi market work for Black Box, Al Zaeem Exhibition and seasonal campaigns, and a motion promo for the Toters app. Known for fast-paced, high-retention editing, and for using Python and AI tools to automate workflows and deliver faster without compromising quality. Seeking a full-time role in Saudi Arabia; ready to relocate immediately.

Core Competencies

Video Editing & Production

High-retention, fast-paced editing, video ads, Reels/TikTok/Snap content, color grading and visual storytelling.

Premiere Pro (Advanced) · DaVinci Resolve

Motion Graphics & VFX

Explainer videos, intros, logo animation, kinetic typography and 3D VFX compositing.

After Effects · Element 3D · VFX

Graphic Design

Social media and ad creatives, brand identities, and assets for seasonal campaigns and exhibitions.

Photoshop · Illustrator

E-commerce & Social Content

Product and store ad content built for conversion, with measurable marketing results.

Meta Ads · TikTok · Snapchat

Automation & AI

Python tools that automate pricing, follow-ups and production workflows, plus AI tools to speed up delivery.

Python · AI Tools · Automation

Project & Client Management

Owning projects from concept to delivery, deadline management, direct client communication and turning briefs into clear output.
